One Architect Selected For Three New Schools

Taking a move unprecedented in district history, the elementary school board Monday night awarded contracts to one architect for the design of three new schools here.

The vote giving the package assignment to the firm of Angus McSweeney, of San Francisco, lacked unanimity. Veteran trustee Mrs. Katherine Mullen expressed the belief that McSweeney, though the low bidder, was not the most qualified of the eight new architects the board interviewed.

Choice of McSweeney came from majority opinion of the board's architectural committee, which includes Thomas Noonan, Frank Verducci and Mrs. Mullen. Noonan made the motion to select McSweeney, seconded by Verducci. Mike Callan and chairman Joseph Lewkowitz followed suit.

McSweeney, who said he could deliver all three schools (Daniel Webster in St. Francis Heights, and Abe Lincoln and Thomas Edison in Westlake Unit No. 10) within the next 12 to 13 months, submitted the lowest offer on architectural fees.

It is reported his bid was considerably less than the normal 8 percent of contract price usually received by architects on schools in California.

Supt. H. Z. Weibel said the board's motion on confirming McSweeney for the three schools hinged on an agreement with veteran district architect Mario Ciampi. Trustees have asked Ciampi to release his earlier-granted committments to design the Abe Lincoln and Thomas Edison sites, located together.

Ciampi, who designed Vista Mar, Olympia, Vista Grande and Westmoor High—among many loca' projects, already has been granted contracts on the M. Pauline Brown site in St. Francis Heights, the Westlake Basin school site, the new Gen. Pershing site, three classroom additions at Olympia and two classroom additions at Jefferson School on Alemany street.

Ciampi, long challenged by some members of the board and parents for his alleged "extravagance and long delays" in designing local schools, politely protested the Monday action of the board which "bypassed" his services.

Ciampi reportedly said it was his opinion his firm could handle any distirct job with reasonable satisfaction and results.

Weibel said the two school sites given priority by Monday's board authorization are graded out and ready for construction. It will take McSweeney considerable time, however, to draw up plans of the three schools and get final state approval.

Webster, Lincoln and Edison each will be kindergarten-through-sixth grade schools. The latter two will be located side by side in the new Doelger unit south of Westmoor High School.

3000 Children In Halloween Events Here

Approximately 3,000 children of the Daly City-Colma area participated in Halloween parties and dances Friday evening.

The events took place at 13 sites and were co-sponsored by the Daly City Parks and Recreation Department, Jefferson Elementary School District, Jefferson High School District, James L. Snell PTA, Benjamin Franklin PTA, Crocker-General Pershing PTA, Woodrow Wilson PTA, Hillside PTA, Westmoor High PTA and the OLPH Mother's Club.

Costumes of all types and scriptions gave much color and excitement to the sixth-grade-and-under parties. In this group, 54 trophies went to children with winning costumes and 108 recived certificate awards for their "pretty and original" costumes.

Included in the programs were games, stunts, novelty contests, dancing, talent shows and movie cartoons.

Three hundred seventh and eighth graders enjoyed a record dance at Benjamin Franklin School and about 150 danced at War Memorial Community Center gymnasium.

High schoolers danced at Jefferson High cafeteria and at Westlake Park recreation building.

The Daly City Police and Fire departments, the Broadmoor Police Department, and the Colma Fire Department helped with the supervision at all the sites.

More than 500 parents accompanied their children to the events and many helped the recreation leaders in the Halloween activities.

HALLOWEEN VANDALISM LIGHT HERE

Daly City and Broadmoor police reported a minimum of trouble Friday night as most youngsters appeared well occupied and behaved well during Halloween.

Only major incident marring a perfect record was a raid—presumably by juveniles—on six trucks at the cement plant on Edgemont drive opposite Westmoor High School.

Luther Warda, plastering contractor, told police that the windshields and windows of all the trucks were shattered

JANICE CABROL WINS COSTUME PARADE AGAIN

More than 600 children participated in Friday night's Halloween parade and party sponsored by Westlake Improvement Association.

Winner of the main prize—for a second year—was Janice Cabrol, 245 Wilshire avenue. She was attired as a Zulu dancer. Her partner, Ron Jachetta, 86 Baldwin avenue, was awarded $5.

Other main winners: William Block, 69 Forest Grove drive, "the headless 49er," Helen Lauricella, 65 Fairway drive, the "princess," and Cabrielle Whitney, 843 South Mayfair, a "witch."

All the children recived prizes, candy bars and ice cream.

$4500 SAFE HAUL AT SERRA STORE

Professional-like burglars late Sunday night hauled off a safe containing $4500 from Public Food Warehouse at 2899 Junipero Serra boulevard.

The raid was the second at the store this year. Last March, two armed robbers got away with $6000 in cash and checks. They have yet to be apprehended.

Sgt. Ricco Benedetti of the Daly City Police Department discovered the break-in at 1 a.m. Monday as he was patroling the area. Finding the store's front door pried open by a crowbar, he notified Broadmoor Police, who took over the investigation.

Chief Ray Savage of Broadmoor said the safe haul occurred between 6:30 p.m. Sunday and shortly past midnight.

The small but heavy safe, weighing about 800 pounds, was moved on a hand truck to a side door on the south side of the establishment, Savage reported. Of the $4500 in the safe, $300 was in half-dollars and quarters, according to store owner Morris Katz. Several cartons of cigarettes were taken off the counters, but the cash register was not touched.

Savage termed the safe theft "a professional job." The intruders left no tangible clues to their identity.

JESD Teachers' Institute Means Student Holiday

Children in Jefferson Elementary District schools will get an extended Thanksgiving holiday due to a change in the date of the Teachers Institute for the certificated staff.

Supt. H. Z. Weibel said the day-long Teachers Institute will be held on Wednesday, November 26—the day before Thanksgiving. The earlier schedule called for the Institute next Monday.

Students on November 26 thus will have a holiday. There also is no school for them on Friday, November 28, the day after Thanksgiving.

The Institute will be held at Colma Intermediate School.

Another Big Home Burglary In Westlake

A fifth major burglary in Westlake the past two months was reported to police last week by Carl E. Stiegerwald, 136 Northgate avenue.

The victim said he left the residence at 7 p.m. Wednesday and returned a half-hour later to find both the kitchen window and the kitchen door open.

Missing were his table model radio, a 16 mm camera valued at $400, his $90 watch, and his wife's diamond-studded wristwatch.

Parkes Harris Feted On 25th Year With Bank

Parkes "Ted" Harris observed his 25th anniversary with First Western Bank last Friday.

Harris, president of the Daly City Chamber of Commerce, came to the Westlake office as manager in March of 1956.

His staff presented him a gift to mark his 25 years of service.

Maxine Scott, who has been receptionist-stenographer at Westlake First Western Bank since it opened in March of 1956, resigned last Friday to move with her husband to Martinez. She also was "gifted" by her fellow workers.

ARREST DRIVER AFTER HE RAMS PARKED AUTO

A 30-year-old teamster was arrested by Daly City Police Officers James Bergstrom Saturday at 8:10 p.m. after the former was seen driving on the wrong side of East Market street and then rammed a parked car.

Bergstrom booked Benito J. Escobar, of 501 Baden avenue, South San Francisco on suspicion of drunk driving. A sobriety test at Junipero Serra hospital confirmed the charge.

Officers George Carlton of Broadmoor was first on the scene and held Escobar until Bergstrom arrived.

The teamster is scheduled to appear in municipal court this Thursday morning.

DC Council Meets

Daly City Councilmen return to business next Monday night in a regular meeting starting at 8 o'clock in city hall.

$9000 BLAZE ROUTS FAMILY IN WESTLAKE

Fire of undetermined origin routed a Westlake family from their home early Monday night and caused an estimated $9000 in damages, according to Fire Chief Elmer Kennedy.

The blaze was reported at 8:13 p.m. at the home of Andrew Doiron, of 62 Montrose drive. It started in the rear of the basement in front of Doiron's two cars, one of which was a total loss.

Doiron's wife, Catherine, and six children, ages 6 to 16, all escaped unharmed.

Kennedy said the basement was badly burned out and the upstairs kitchen, dining room, and bedrooms sustained heavy smoke damage.

Firemen from Companies 2, 5 and 6 brought the fire under control in about 30 minutes, Kennedy said.

COUNTY RETURNS

Chess Gets County Supervisor Berth; 16 & 18 Bring 'No'

Though the Democratic tide prevailed at high state and national levels, Republican party candidates fared well in the main San Mateo County races in Tuesday's general election, according to unofficial final returns.

Governor-elect Edmund "Pat" Brown, as elsewhere, was a convincing victor over Senator William Knowland at the 833 county precincts. Brown's margin of victory was 37,654 votes. He polled 95,884 to 58,230 for Knowland.

Demo Clair Engle won the U. S. Senate seat edge at county level, besting Gov. Goodwin Knight by 15,434 totes—83,898 to 68,464.

Republican J. Arthur Younger of San Mateo retained his 9th District Congressional post with an 88,178 to 62,528 margin over Democrat Elma Oddstad.

The scramble for the 25th Assembly District, Northern District Municipal Judge and for county supervisor went down to the wire, as follows:

Incumbent Louis Francis of the GOP nipped Democrat Leo Ryan in the 25th Assembly campaign, 36,322 to 35,718.

Charles Becker, of Westlake, won the municipal judgeship of the Northern District by a 1405 vote margin over fellow Daly Cityan, John J. Fahey. Becker will replace Judge Tom Bocci Jr., who is resigning to enter private law practice. Bocci lost out in his bid for district attorney in the June primary.

Becker is a Republican, while Fahey is a member of the Democratic party.

T. Louis Chess of San Mateo defeated Daniel J. Monaco for the Second District county supervisor berth, 65,496 votes to 61,160.

Proposition 16, seeking to impose a tax on private schools, was solidly defeated, 103,261 votes to 49,130.

The "right-to-work" issue, posed by Proposition 18, was turned down by county voters, 90,923 "no" to 62,112 "yes."

Total county turnout at the precincts was not available at press time. Absentee ballots will be counted on November 10.

SUCCESSFUL in his bid for county supervisor was T. Louis Chess, veteran San Mateo County civic leader. He defeated Daniel J. Monaco.

FIRST RESULTS ON 'CRUSADE' GOOD LOCALLY

By Elaine Rosendahl

Ranking second in the United Bay Area Crusade of five counties, the residential division of San Mateo County was honored at a report dinner Thursday evening in San Mateo.

Northern cities of the county have shown excellent results in their campaigning, although the half-way mark of the original quota of $218,342, has not yet been reached.

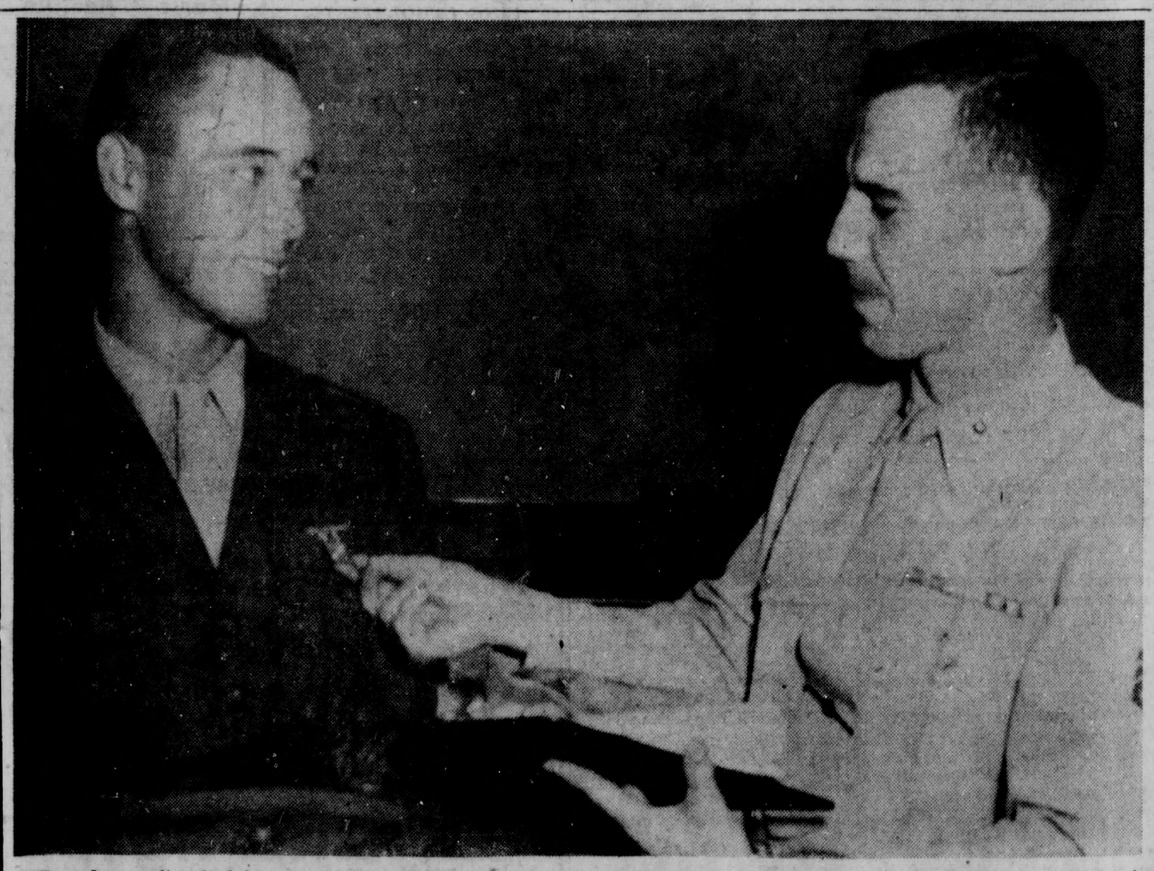
"The United Crusade will benefit everyone in some way, so we must all pledge our fair share of happiness", said Robert Mangan, principal speaker of the evening. Herman Heinrich told of the work being done in the cerebral palsy schools in San Mateo county that are aided by United Crusade funds.

Mrs. Martin Orloff, residential division chairman for North San Mateo County gave the area reports for Bayshore and Brisbane and introduced the following area chairmen who gave area reports: Mrs. Gordon MacDonald, Pacifica; Mrs. Albert Marty, San Bruno; Mrs. Robert Whitehead, substituting for Mrs J. S. Spingola of South San Francisco, and Mrs. Roy Rosendahle, substituting for Mrs. Jack Hurt of Daly City.

Pistol-Cleaner Wounds Himself

A 20-year-old Daly City man wounded himself in the left index finger last week while he was cleaning his .32 caliber revolver at his home.

Roger P. Fisher of 206 Los Banos avenue, was questioned by police at Alemany Emergency hospital. Officer Charles Terry reported that Fisher discharged the revolver accidentally.



HOME on leave after training in San Diego is Pfc. Anthony J. Guillory, son of Mr. and Mrs. John J. Guillory, 251 Peoria street, Daly City. Admiring his marksmanship medal is Recruiting Sergeant Paul Britting. Guillory, who reports next to Florida, won the "meritorious Pfc. award" during combat training.

SALES TAX... NOT FORGOTTEN!

The three Daly City councilmen who were successful at the polls last May made many promises which won for them four-year terms.

One of the biggest planks in their platforms was sales tax. The trio pledged they would move quickly for its repeal.

These three councilmen, however, seem to have tucked away this promise, disregarding the biggest concern of their constituents.

The council, we feel, has needlessly delayed bringing sales tax to a vote of the people.

True, the city fathers tried to have sales tax placed on this week's general election ballot, and failed. But how much longer will they wait before they give voters a chance to have their "say" on the unpopular levy?

The councilmen who won and merited convincing public backing on their anti-sales tax stand should live up to their pronouncements. Right now, they must let citizens know when the issue will be placed before voters.

Putting off until tomorrow what should be done today is a dangerous practice, especially in the field of politics.

PROCLAMATION

WHEREAS: Citizens of this state have never been more vitally interested in the progress and problems of their public schools, and

WHEREAS: The California state constitution establishes public education as the first business of the state, and

WHEREAS: California's tremendously expanding population, coupled with today's urgent demand for educated leadership, has intensified existing school crises of teacher shortage, building scarcity and the search for means of adequate financial support, and

WHEREAS: Any conditions which impair educational opportunity for the youth of the state constitute a serious threat to state, national and world security:

NOW, THEREFORE, BE IT RESOLVED, that AMERICAN EDUCATION WEEK will take place November 10 through 14, and that this community exercise its right and responsibility to know first hand the facts about its schools in order that we may justly evaluate their achievements and wisely provide for their needs, that we may do our part in strengthening understanding and appreciation of the high standards of California's public education, that we know of the vital contribution our schools have made and must continue to make in the days ahead.

Renew Driver's License Early, State Advises

Renew your driver's license up to six months before it expires, and "lose no time or money."

This suggestion was made today by Paul Mason, State Director of Motor Vehicles, to a million of California's over 7 million motorists whose driver licenses are due to expire in the next six months through April, 1959.

"The 1957 improvements in the driver licensing laws now make it possible for a motorist to apply for renewal of his license as much as six months before it expires," Mason explained. "This does not cancel out any of the valid period of the old license. Thus, the full value of the $3 fee required in law is received. And the licensee who renews early can avoid getting a short-term license that must be issued if he applies more than 30 days after the expiration date."

Mason pointed out that the peak demand on Motor Vehicle Department field offices will come in January and February during the annual license plate renewal period. "It will be to the advantage of driver license applicants to seek their renewals now," he said. "They will avoid the crowding that occurs in DMV field offices at vehicle registration time, and we can give them better individual service now."

The director added that renewing more than 30 days after expiration of an old driver's license limits the length of term that can be issued for a new one. "We must also emphasize again that the 30-day period after expiration of a license is not a 'grace period.' It is never legal to drive with an expired license, and counts as a misdemeanor under Vehicle Code law."

Safety Council Warns About Office Parties

The office party with its flowing bowl was blamed by the National Safety Council today for boosting the Christmas traffic toll.

"Either dry it up or cut it out," the Council urged business and industry.

Surveys made by the Council indicate, it said, that a sizeable percentage of Christmas traffic accidents occur in the early hours of the holiday period. Many of these can be traced back to the office party and its highball hilarity.

"This is no effort to dampen the traditional Christmas spirit, the Council emphasized. "It is a practical attemt to eliminate a definite source of death and destruction on the highway at a time they hurt the most—the Christmas season.

"But don't forget—drinking and driving are a lethal combination any time, anywhere, and not just in connection with the Christmas party."

The Council is asking its 8,000 business and industrial members concerns to take a new look at their office parties and either keep the cork in the bottle or eliminate the parties.

Blingum Halts W'moor, 28-20

RAMS ENGAGE SOUTH CITY HERE FRIDAY

Knocked from the Peninsula League's unbeaten ranks by Burlingame last week, 28-20, Westmoor High's determined gridders will be out to stay in contention when they tackle South San Francisco (0-2) here at 2:45 p.m. this Friday.

South City lost to hefty Capuchino, 19-0, and to Hillsdale, 13-12, and Westmoor Coach Pete Matisi expects a rugged struggle .

The Rams got off to a slow start against Burlingame and just couldn't quite beat the clock. Trailing 13-0 in the second quarter, Westmoor caught fire after Tom McHugh intercepted a Panther pass. A few plays later, fullback Bob Roller boomed over on an end sweep to make it 13-7.

Quarterback Dave Simons, enjoying his best afternoon, connected for the second and third Westmoor touchdowns. He sparked a 52-yard air shot to Larry Schoenfeldt in the third quarter, then rifled a 35-yard maneuver to Tom Drake for the Rams' final outburst.

Next week, Matisi's squad meets unbeaten Hillsdale in San Mateo, followed by a windup clash with also unbeaten Capuchino here on November 21.

Roller's performance Friday against Burlingame kept him in the running for All-League honors. Up front, guard Paul Giomi was at his "battling best," according to the Ram coaching staff.

San Francisco's Marina Green is a favorite place for citizens — young and old — to fly kites.

WESTMOOR back Tom McHugh (extreme left) gets assist from a teammate as he prepares to haul in a wayward Burlingame pass in the game here Friday. McHugh's aerial theft set up the first Ram touchdown in the second quarter. Westmoor lost out, 28-20.

Capuchino Deals Jeff Fifth Setback, 26—12

Jeff High's winless Indians suffered their fifth setback of the season and skidded into the Peninsula League basement Friday as they dropped a 26-12 decision to bruising Capuchino in San Bruno.

Coach Joe McGrath's squad is the only Peninsula League team this year to score on Cap. The Indians were in the ball game the first half, missing their second touchdown in the second quarter when the Mustangs held Jeff five yards from the goal.

Cap's massive line was just too hefty for McGrath's forwards to move and his backs to crack.

Cap held a 7-0 lead in the first quarter and tallied again in the next period. Pete Garcia, playing his usual best, brought Jeff in striking distance with a 30-yard TD romp on a punt return just before the half. Jeff later got the ball and marched to the Cap five before losing the hide on downs.

Cap added single six-pointers in the final two periods. Garcia uncorked an 11-yard pass to Bob Woolrich for Jeff's final tally in the fourth quarter.

McGrath was dismayed by his team's lack of punch, but he did like the duty turned in by Garcia, quarterback Jerry Kennedy and guard Bob Nielson. John Margaroni returned to action in Jeff's defensive backfield.

The Indians this Friday afternoon here at 2:45 o'clock entertain (?) Cubberley, one of the front runners of the South Peninsula League. The invaders last week knocked off Palo Alto and Cubberly is chasing Sequoia for the southern loop title.

Jeff's lineup will be changed slightly. Margaroni, one of the fastest packers in the league, will be ready to go on offense. Ted Sailor steps in at left end for ineligible (scholastically) Marty Cosgrove. Walt Schuetz will start at left tackle, moving from right guard.

Reserve Jeff QB Jim McEntee is out for the season with an arm injury suffered last week in a junior varsity game.

Marchbanks, BYA, OLPH Grab Titles

Daly City touch-football action came to a climax Saturday as the Marchbanks All-Stars, Broadmoor Youth Association and Our Lady of Perpetual Help's gridders cinched titles with lopsided wins.

The Marchbanks All-Stars finished unbeaten for the Sixth Grade National League crown by blanking the Marchbanks Rams, 12-0. In the other sixth grade game, Westlake School and Crocker waged a scoreless tie.

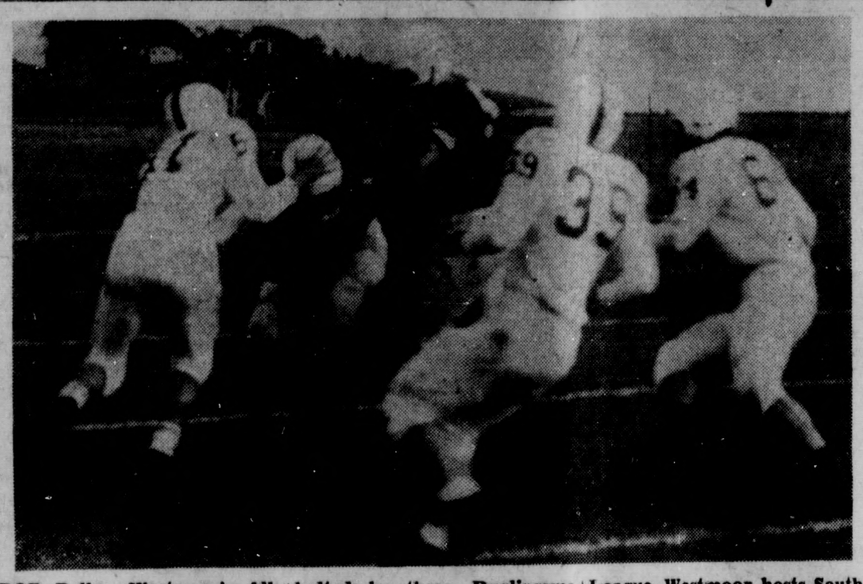
BYA went out with a 6-0 Seventh Grade National League mark via a 25-6 win over the DC Rams. Ben Franklin defeated PAL, 2-0.

OLPH posted a 6-0 record to capture the Seventh Grade American League crown, winning 20-0 over PAL on Saturday. In another scheduled game, Ben Franklin was awarded a forfeit over Colma School.

Dee Van Nest, city director of parks and recreation, said 312 boys participated on 28 teams in the six leagues. The turnout was the biggest for the sport in Daly City history.

AMPLE RESERVES

Although International Nickel and its predecessors have mined some 250,000,000 tons of nickel-copper ore in the course of 70 consecutive years of operations in the Sudbury District of Ontario, continuous and extensive exploration activities have increased the company's proven ore reserves to record levels.



BOB Roller, Westmoor's All-League fullback candidate, got five yards on this off tackle shot Friday before he was halted by three Burlingame tacklers. The visitors won, 28-20, to topple the Rams from a tie for first in the Peninsula League. Westmoor hosts South City this Friday at 2:45 o'clock.

Beginners, Advanced Leagues Planned At Westlake Bowl

As the opening date of Johnny Swanson's Westlake Bowl approches, groups from the various sections of the city are forming beginner's and advanced leagues for morning and afternoon sessions.

With Marge Brown on hand for instruction and guidance, both new and experienced bowlers will feel at home.

Monday morning will find groups from the first and second sections of Westlake, while in the afternoon the ladies from the "Top of the Hill" in Daly City will take to the lanes.

Broadmoor residents will bowl Tuesday mornings, with Westlake Palisades groups in the afternoon. The housewives from Westlake Heights and Knolls will be on hand Wednesday mornings, while the afternoon will be taken over by Colma residents.

The Westlake Highlanders will bowl Thursday morning and Stonestown ladies will take over in the afternoon. Parkmerced groups will bowl Friday morning, while the ladies from Westlake sections three, four and Olympic will be on hand in the afternoon.

There will be leagues for beginners and advanced bowlers in each morning and afternoon session. While these times have been assigned because of requests, residents of the various areas are by no means limited to these hours.

Applications are now being taken for all day time leagues. Marge Brown may be reached at the Bowl by calling PL 6-5777.

Westmoor JV Eleven Jolts Blingum, 7-0

Westmoor's scrappy junior varsity gridders evened their Peninsula League record the hard way Monday afternoon by shocking unbeaten Burlingame, 7-0, on the Rams' field.

The clinching tally for Westmoor came in the second quarter following a 35-yard piachout pass play, from QB Billy Hix to halfback Webb Parker to Chris Hansen. Parker got the six points on a cross-buck from six yards out. He also ran over for the extra point.

Coach Rod Losberger bubbled in praising the "stalwart defensive performance of my legions."

Westmoor meets tied-for-first Mills High next Monday here. Mills is led by quarterback Dave Joost.

The Ram JV's are 2-2 for the season.

Jeff Runners Fatten Marks, Beat Hillsdale

Norm Cady's strong Jeff High cross country teams padded their records Thursday by sweeping all three divisions from Hillsdale.

Cady's varsity and junior varsity won via forfeit. The Indian frosh-sophs, led by Rich Marston's winning race, downed the Knights, 25-30.

The Jeff runners this Thursday battle powerful Westmoor on the Westmoor course. Cady's varsity has a 5-2 Peninsula League record. His junior varsity is unbeaten in seven meets, while the frosh-sophs are 5-1-1.

On Friday, November 14, Westmoor will host the Peninsula League cross country championship meet.

2 PAL Boxers Win At Bruno

Al Lujan and Richard Nunes, members of the Daly City Police Athletic League, scored impressive victories last week as they represented Vallemar Boys Club against San Bruno Boys Club.

Lujan was named the night's "outstanding boxer" and received a second trophy. He fought in the 75-pound class, Nunes in the 90-pound bracket.

BOB ROLLER OF WESTMOOR RADIO GUEST

Bob Roller, Westmoor High School's outstanding fullback, will be the special guest of sportscaster Warren Wyncoop on the latter's weekly radio show this Saturday at 11 a.m. on station KIBE (1220 on the dial).

Roller, who Coach Pete Matisi calls his "outstanding college football prospect," has been the spark on the Rams' surprising varsity this season. He's one of the league's best linebackers and ranks among the top five in rushing yardage.

Wyncoop will preview the Westmoor-South City and Jeff-Cubberly games. His "Down Memory Lane" story will be on Eddie Mack, San Mateo athlete of 1945.

Westmoor High Runners Near Title Repeat

Senior Dave Dunbar broke a Westmoor course record Thursday as he scored a first and paced Coach Ernie Ribera's brilliant varsity cross country squad to a 27-28 win over powerful Capuchino.

The victory was the sixth without a loss for Westmoor which won the varsity title last year. The Rams wind up their league season this Thursday at home against Jefferson. Ribera's squad is favored to capture the title a second time in the Peninsula League meet here Friday, November 14.

Dunbar took the varsity race in a blazing 9:52.5, outlasting the strong bid of Cap's Andy Keefe (9:57) and Ned Benedict (10:04). The Rams' Bruce Ryner was fourth, Phil Anderson was sixth, Lanny Bucelli was seventh, and Jim Bucelli was ninth.

Capuchino was unconquered going into the showdown with Westmoor.

Cap's frosh-sophs defeated Westmoor, 22-33, to leave the Rams with a 3-3 record. John Blay came in second for the Daly City runners.
